HELPING CHILDREN & FAMILIES THRIVE

I'm Tired of COVID!

A Social Story about Pandemic Fatigue

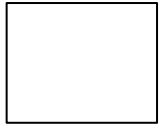

I have been home for a long time. I want to see and learn new things.

Where can we go and explore?

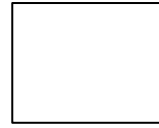

You can go discover new things around your neighborhood.

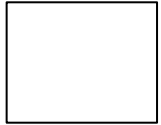

Try a scavenger hunt.

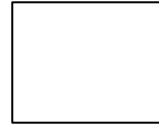

mailbox

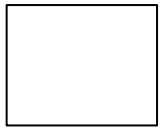

plant

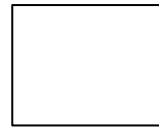

bird

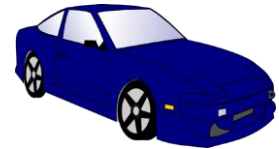

ball

bicycle

blue car

Or go explore your neighborhood park.

Explore the Metroparks, too!

What are fun things that I can do with my friends?

We can have a Dance Party!

Meet virtually or physically
distanced outside

We could plant a garden.

We can go skateboarding, roller skating, or ride our bikes.

Discover free activities that are offered in your community.

Cuyahoga County Public Library

Take and Make a Craft

During the months of March, April, and May, many of the Cuyahoga County Public Libraries are offering take-home craft projects for kids and teens. New craft projects are available every day while supplies last. Call your local library for more details.

Cleveland Metroparks

The Cleveland Metroparks offers free zoo admission on Mondays for residents of Cuyahoga County with a valid form of I.D. (Driver's License, or State I.D.)

*Admission Valid Memorial day through Labor day, Not Valid if Monday is an observed Holiday.

Art House, Inc.

Art House, Inc. is a nonprofit arts center located in Brooklyn Center on Cleveland's West side.

The art center offers monthly workshops for children and their families to create projects and express their feelings and ideas. Family open studio sessions take place every third Saturday of the month.

Register online: arthouseinc.org/art-classes

I can be excited for all these fun things to do and that spring is here!
