

## Foster Parent Mentor Program

*In our ongoing effort to provide additional support for our foster families, Beech Brook is recruiting experienced foster parents to mentor prospective and newly licensed foster families.*

We'd like to put your knowledge, strength and experience to work!

### **Mentor Foster Parents provide the following services:**

- Assisting foster caregivers with information that will encourage communication between the new foster caregivers and Beech Brook
- Offering foster caregivers possible solutions to problems that may occur while caring for a child in placement
- Assisting and guiding recently certified foster caregivers in day to day activities while caring for a child in placement
- Offering to assist foster caregivers in using resources in their community
- Encouraging recently certified foster caregivers to attend training sessions in order to maintain their current certification

**In exchange for mentoring services, training hours will be made available to those who are selected as Mentor Foster Parents!**

**Please contact Lynn Avery  
or Nancy Redd-Shelton at 216.831.2255
